Welcome to the Brühl-Beurbarung Quarter Meeting Point!

I am Sophie Bauer and I work here together with my team, Ms Gisela Braun and Mr Maximilian Bezenar. The Quarter Meeting Point is a cozy space at the disposal of the residents for common use. At the Quarter Meeting Point, events and meetings take place on a regular basis. Furthermore, the rooms can be let for private events on one Saturday a month.

We have many various activities that are mostly organised by volunteers.

You can reach us during our office hours, on Tuesdays from 5 p.m. to 7 p.m. and on Thursdays from (8:30) half past 8 a.m. until (10:30) half past 10 a.m. During these times, you can drop by and talk to us about topics regarding the Brühl neighbourhood, problems and apply for the FamilienCard (Family Card) or Kulturwunsch. With the FamilienCard families in Freiburg must pay less for activities, for instance for a visit to the swimming pool. People with a small income can register with Kulturwunsch and win cards via drawing for cultural activities, for example for a theater.

For all who like to eat in good company and meet the neighbours, we have a delicious warm meal for 3 € every Tuesday from twelve (12) p.m. until (1:30) half past one p.m. This is prepared by a volunteer cooking team.

For children, there is a Kids' Cinema once a month, on Wednesdays at (3:30) half past three p.m. at the Quarter Meeting Point. Fees: 1,50 € (one Euro fifty). The Kid's Cinema is organised by the Youth Club (Jugendtreff). For infos regarding the dates and movies, please visit the website of the Brühl-Beurbarung Youth Club. Everybody who likes to enjoy the fresh air outside can check our garden group. This group meets every Wednesday starting with 6 p.m. to garden together at the „Begegnungsgarten am Rehbrunnen“ in the Kenzinger Street. Should you be interested in attending the garden group, just let us now or drop by to garden with us.

On Wednesdays a further group, a mixed sports group, meets starting with 8 p.m. in the gym hall of the Lortzing School, for an open sports activity.

We also have a sports group only for women. The women sports group meets every Thursday from eleven a.m. until (12:15) quarter past twelve p.m. at the Quarter Meeting Point. Mostly, we do gym and Pilates. Pilates is a whole body training, during which we harmonise breathing and exercise, which is always combined with lots of fun and joy here at the Quarter Meeting Point.

We have more activities for women. On Thursdays from (2:30) half past two p.m. until 6 p.m. and on the last Friday of every month from (2:30) half past two p.m. until 5 p.m. there is a FAP Turkish women meeting. The FAP is the Academic Platform Freiburg association. It was founded by Turkish origin migrants and migrant scholarly people, for an active integration of families in the region. <http://www.fap-freiburg.de/>

For all who like to cook or exchange experiences, there is on Fridays a Turkish cooking course, starting with (5:30) half past five p.m. This course is partially only for women and partially for women and for men.

On weekends, there are various international association and group meetings at the Quarter Meeting Point:

Every third Saturday, there is a Nigerian group meeting.

On Sundays, there is a Tamil Cultural Association meeting from (10:30) half past 10 a.m. until (1:30) half past one p.m. From 1 p.m. onward, there is furthermore on Sundays a Kurdish Cultural Association meeting.

All activities and times are also available on our website <https://www.nachbarschaftswerk.de/einrichtungen/stadtteiltreff-bruehl-beurbarung/>.

If you want to attend the activities or have any questions, please contact us per phone or per email, or drop by during our office hours.

Kind regards from Brühl, we look forward to meeting you!
