Bildungsguide „Familienchance - Freiburg“

Sprache: Englisch

Hello everybody,

my name is Marina Danner. I work as a social education worker and conduct here the Women Get-Together in the Stühlinger commercial park, under the Diakonisches Werk Freiburg. We have a lot of various activities, such as the migrant information center, the helpdesk for refugees and many more.

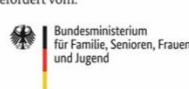

But we are here to talk about the Women Get- Together. This is also called tearoom, because we can drink tea or coffee in a relaxed atmosphere and do many other awesome things. Women from various countries come to us, some come alone, others bring their children and woman friends along. We have here great rooms, with a kitchen. This is important for us, because here we can cook delicacies from all around the world. The women love to cook together. We have already had meals from India, Irak, Syria and the Persian and Russian region. And everything is always awesome, cozy and hearty.

While drinking tea and coffee, we reflect upon what we want to do together and what helps us implement that. That is how our activities come into being. We discover, for instance places around and in Freiburg or we go for trips to Bodensee. When we want to express our feelings in pictures, then we paint together. Or we teach each other handicraft works, we sew and knit. We also want to keep fit, that is why we had zumba workouts, currently we are very industrious learning yoga.

We reflect about what women would like to do here, some want to learn more about how to use a computer, that is how the computer course came into existence. Further courses are planed. The women bring also topics along, for example regarding the authorities. They bring

Gefördert vom:

letters, questionnaires. We talk about the family situation, about other topics and try to solve the problems as well as we can.

We also get assistance from a language mediator who speaks Turkish and Arabic, and I speak Russian. We are happy about all the women who come to us, regardless of their origin, we always have a good mix.

We meet every Monday from 4 p.m. until 6 p.m., in the 9a Ferdinand Weiß Street, it's on the ground floor, barrier-free. You do not need to register and can just drop in, since it is an open and free activity.

I am looking forward to meeting you. See you soon and bye-bye!
